TO WHOMSOEVER IT MAY CONCERN

Cybermarine Technologies Pte. Ltd. is a Ship Design & Offshore Engineering company based in Singapore and has been providing value added service to us since many years.

We are having a great pleasure to convey that the Layout, Structural & Outfit Engineering of the Living Quarters of our Special Purpose Ship, M. V Gerimal was carried out by them and was quite impressive.

We trust they will continue their good work throughout.

Wishing them all the best.

Your sincerely

Mr. Ashok Bhamhani
Director
Halani International Ltd.
